The screenshot shows a Google search interface. The search bar contains the word "flow". Below the search bar, the "All" tab is selected. The first search result is from Google Labs, titled "Google Flow - AI Creative Studio for Video, Images & ...". The description states: "Try Google Flow, the ultimate AI for creatives. Transform ideas into reality using Google's advanced generative models for cinematic video, images, & tools." Below this, there is a "Videos" section with a video thumbnail titled "Master" and a link to "How To Use Google Flow For Beginners (Step-By-Step Guide)".

← New character

Use a sample prompt below, or create from scratch.

The Familiar
Grounded cinematic realism. The relatable anchor of your story. Authentic, striking, and designed with the natural presence of a lead character.

The Eccentric
Unforgettable quirky humans. Magnetic scene-stealers with offbeat charm. They bring a unique, unforgettable energy to every frame.

The Wicked
Powerful antagonistic presences. Intense figures command the screen. From cold zealots to shadowy threats, they bring the perfect edge.

The Fantastical
